## Road Race Tour De Monte Creek April 21st 2011

Results .Le Tour de Monte Creek.

Well we didn't need snow shoes, but for a while I thought wet suits were in order, But it cleared up and the sun came out for a little, But a strong cool wind didn't help.

12 riders rode off with a strong tailwind for 4 kil of neutralized riding, The race split into 2 groups of four on lap 1, Frank Helly, Ian Fillinger, Devon Moonie, Kevin Hunt, lap time 26 min.

Group 2, Peter Voss, Selena Laurie, Josie Spence, Gregg Murray, 1 min down, Dan Hill was stuck in nomans land between the two,

Then came Klaus Voss, followed by Paul Najman & Sara Spence.

Lap 2. saw the same group of 4 off the front, looking very smooth and a minute faster , But the second group lost Peter who had been doing most of the work on lap 1.

Lap 3, Disaster struck , Kevin punctured and Frank & Ian attacked and lost Devon who was riding strong, Due to the cool conditions and losing daylight the race was cut to 4 laps for the men & 3 for ladies,

In a hotly contested sprint finish Josie Spence powered away to win in a time of 1hr & 20min & 0 sec, followed by Selena Laurie at 1 sec. Selena picked up Queen of the Mtns prime.

The finish of the mens reminded me of the 1986 Olympics in USA when Alexi Grewal drafted Steve Bauer to win the gold medal, And Ian did just that to nip Frank at the line, But Frank picked up the 4<sup>th</sup> lap King of the Mtns,

Kevin picked up 2<sup>nd</sup> lap prime, but said quote, [ Ian was a real gentleman and held back, ]

So final times, Ian Fillinger 56 kil in 1hr & 39 min & 47 secs

Frank Helly " " 1 hr = 39 min = 47 secs ½

Dan Hill 56 in 1 hr = 41 min = 00

Devon Moonie 56 kil in 1hr & 42min & 32 sec

Gregg Murray 56 kil in 1 hr & 44 min & 56 sec

Peter Voss 56 kil in 1hr & 46 min & 11 sec

Paul Najman 56 kil in 2hrs & 02 min & 43 sec

Klaus Voss 42 kil in 1hr & 39 min & 00 sec

Kevin Hunt DNF had a time at 2laps of 51 min then mechanical disruption,

Ladies 3 laps 42 kil. 1<sup>st</sup> Josie Spence 1 hr & 20 min & 00 sec

2<sup>nd</sup> Selena Laurie 1hr & 20 min & 01 sec

3<sup>rd</sup> Sara Spence, DNF did 1 lap

Personally I really feel this was Devons best performance, And Josie really rode strong, I can see great things happening from these two riders, Just a matter of time.

Thanks to Gary Hunt & Peter Bartel for helping out, Also Pauls first mass start race, and did very well to finish the 56 kil.

## Hill Climb Assault On Mt Lolo April 28th 2011

Results, the Assault on Mt Lolo, April 28<sup>th</sup> 2011.

A great turnout of athletes for the inaugural ascent of Mt Lolo, It didn't snow, rain, and the wind actually co-operated, The race started with approx 2 kil of neutralized zone to get everyone on the same page, Jason Bourgeois fell right at the start but made a great recovery. Right after the neutralized section Peter Holzhter made a break but was drawn in by a solid fast moving pack, The pack split with Aaron Weiss [ last years climber runner up,] Max Hansen, Kevin Hunt, Chris Wenger, Ceren Canier, Ian

Fillinger, Martin Bojesen, Gregg Johnson, Frank Helly, all working very hard to keep the break moving. In the second group Byron Gayfer & Jennie Gayfer, [ just back from training camps in Spain] Gregg Murray, Peter Voss, Ken MacDonald, And Allan Bogetti making up time, Jason Bourgeois & Klaus Voss.

As the climbers hit the switchbacks, with lots of loose gravel on the turns in true Paris Roubaix style the group splintered but only seconds separated the first 6 riders.

- 1<sup>st</sup> Aaron Weiss 31 min & 36 sec.
- 2<sup>nd</sup> Martin Bojesen 31 min & 43 sec
- 3<sup>rd</sup> Max Hansen 32 min & 05 sec [Still recovering from Boston ]
- 4<sup>th</sup> Kevin Hunt 32 min & 09 sec [ Junior ]
- 5<sup>th</sup> Ceren Canier 32 min & 09 ½ sec [ So close ]
- 6<sup>th</sup> Chris Wenger 32 min & 26 sec
- 7<sup>th</sup> Ian Fillinger 33 min & 00 sec [ Ian broke all the records at “ Hell Week “ 1500 kil in 4 days, Not to shabby,
- 8<sup>th</sup> Frank Helly 34 min & 50 sec
- 9<sup>th</sup> Gregg Johnson 34 min & 52 sec
- 10<sup>th</sup> Byron Gayfer 37 min & 39 sec
- 11<sup>th</sup> Jenny Gayfer 37 min & 41 sec
- 12<sup>th</sup> Ken MacDonald 37 min & 42 sec
- 13<sup>th</sup> Gregg Murray 38 min & 20 sec
- 14<sup>th</sup> Peter Voss 38 min & 55 sec [ 2010 60+ group winner ]
- 15<sup>th</sup> Jason Bourgeois 38 min & 59 sec Well Done Jason, [ 1<sup>st</sup> race]
- 16<sup>th</sup> Allan Bogetti 39 min & 04 sec. After a tough start Allan fought his way back into contention.
- 17<sup>th</sup> Klaus Voss 47 min & 52 sec Great ride Klaus, You never give up, Lolo is one tough hill.  
Peter Holzhter DNF. Mechanical.

Thanks to Peter, Gary, and Doug for helping out. Thanks to all the riders for making it a success.

## Race The Ridge 2 Day Stage Race Mission May 8th 2011

Race the Ridge, 2 day stage race, Mission.

May 8<sup>th</sup> 2011.

5 athletes from the Interior Grasslands cycling club, braved the rainy stormy weather, and competed in the 2 day race in Mission which consisted of a Time trial, Criterium, & Road race.

Time trial results,

- Shawn Wenger 3<sup>rd</sup> 38min 58 sec
- Jenny Gayfer 5<sup>th</sup> 39 min 35 sec
- Tori Spence 7<sup>th</sup> 41 min 00 sec
- Josie Spence 10<sup>th</sup> 43 min 40 sec

Youth Class Sara Spence 5<sup>th</sup> 17 min 45 sec

Only 5 sec separated the teams positions, All representing Interior Grasslands, Shawn & Jenny in great form just returning from a pro

training camp in Spain, and sponsored by Balance Point racing out of Kelowna.

Next came the Criterium, a suicidal close contact race around a 1 kil circuit made slippery by the rain and tight corners,[ Not for the faint-hearted ]

Shawn	2 <sup>nd</sup>	30 min 26 sec
Tori	3 <sup>rd</sup>	same time
Josie	4 <sup>th</sup>	same time
Jenny	11 <sup>th</sup>	33 min 21 sec

Road Race, Four laps of a very demanding circuit, again wet slippery roads, fast steep downhill going into a tight right hand corner, then a brutal climb straight away, [If your not in the right gear your toast ] To start Shawn was plagued with mechanical problems, dropping her chain on the fast descent, on the first lap, But still strong enough to get back to the pack and attack and break away on lap two and stay away until lap four, Now hears the drama, Shawn spots a large moving animal criss crossing the road ahead, witch way to go, It's a large pig, How do you get around a pig in a bike race,??? Very quickly, Shawn went one way, and so did the pig, and took Shawn down,

Shawn is now laying in the road ,chain off and here comes the pack led by team-mate Jenny who yells "Come -on get back on " So Shawn makes it back with team-work from Jenny Tori & Josie, to finish in 2<sup>nd</sup> place. Wow!

Personally I love these kind of stories it makes road racing what it is,?

Finish road race results

Shawn	1 hr 20 min 52 sec
Jenny	1 hr 21 min 34 sec
Josie	1 hr 21 min 34 sec
Tori	1 hr 21 min 42 sec

Final results	2 <sup>nd</sup>	Shawn Wenger	2 hrs 29 min 58 sec
	4 <sup>th</sup>	Tori Spence	2 hrs 32 min 59 sec
	6 <sup>th</sup>	Jenny Gayfer	2 hrs 34 min 30 sec
	7 <sup>th</sup>	Josie Spence	2hrs 25 min 35 sec

Sara Spence riding in the youth class finished 6<sup>th</sup> over-all just 3 min 50 sec down on the leader, A great showing in her first stage race, Well done Sara.

## 42km Road Race Westsyde rd May 12th 2011

Thursday evening the IGCC hosted a 42 km road race along their Westsyde course, 15 riders signed on. Under ideal weather conditions racing started , neutralized for the first 5 kms, and it did not take long, before the initial attack off the front was underway, with 8 riders in it, the pace was such, that the remaining riders were strung out behind the leading group. Ian Fillinger was the most aggressive competitor, making numerous attempts to clear, but a well-organized group brought him back each time. That changed after the turn at the far end of Black Pines, Chris Wenger and Greg Murrey were dropped, the group opening up a gap quite quickly. After a few climbs Jason Bourgois also lost contact, with now only 4 riders racing towards the finish line in Westsyde, In the group were Max Hansen, Dan Hill, Ian Fillinger and Frank Helly, and, despite many attacks off the front, no rider could get clear, resulting in a sprint finish, won by Dan Hill, who had wisely preserved his strength, relegating Frank Helly to second place, Ian Fillinger came in third, followed by Max Hansen. Jason Bourgois could never quite make contact, so had to be satisfied with fifth place.

In the ladies race Shawn Wenger, Josie and Sara Spence had earlier dropped Tory Spence, and the three of them rode a very intelligent race, in the process dropping several of their male competitors. The sprint was won by Josie Spence, followed by Sara Spence, Shawn Wenger came in third.

Here the final results: Dan Hill, Frank Helly, Ian Fillinger, Max Hansen @ 1:07:58, Jason Bourgois @ 1:09:06, Chris Wenger @ 1:10:14, Greg Murrey @ 1:10:24, Peter Voss @ 1:11:48, Dennis Wilson @ 1:17:31, Klaus Voss @ 1:25:25. Josie and Sara Spence, Shawn Wenger clocked a time of 1:11:38.

Devon Mooney, by some experts considered one of the favorites to win this race, did not start due to mechanical problems at the start line that could not be overcome, Tory Spence did not finish.

The next race will be on Thursday, May 19, the infamous "Assault on Rose Hill".

Shawn Wenger (crash)

Sara Spence

Selina Laurie

Mike Johnson

Gary Hunt

Doug, here are the results for to-night's race. I set off 2 groups, with a 5 minute space between the groups, unfortunately Shawn Wenger crashed during the first lap, when she touched wheels with a rider in her group, she went down pretty hard and had to abandon the race. Most riders in her group stopped to assist, thereby losing valuable time, but helping Shawn was more important to them than perhaps winning, great sportsmanship !!!!!

Gary Hunt arrived late, joined the slower group on lap 2, but rode only 3 laps.

All-in-all a fine evening of racing, Max Hansen won the sprint, with Ian Fillinger arriving at the same time, we had some guest riders, who signed waivers.

See you on the road, Peter.

Martin broke away on the hill to take a 15 sec lead for King of the Mtns, And stayed away until halfway home on lap two,

## Hill Climb Mt Lolo July 21st 2011

Results of the { Assault of Mt Lolo } 21 July 2011

Well the way the weather has been behaving I didn't think we would see any riders out, but the rain held off and five athletes braved the cool weather.

At the start Max Hansen and John Armstrong followed by Devon Moonie set a fairly aggressive pace and first to drop off was Wayne Little from Ashcroft, then Frank Helly, Devon found the pace a bit quick on the flats, but recouped when hitting the switchbacks, So Max & John came to the 400 meter sign together, Max went for it, but John got by him for the win.

John Armstrong	30 min & 19 sec
Maxim Hansen	30 min & 25 sec
Devon Moonie	32 min & 56 sec

## 16km Hillclimb Mt Lolo August 25th 2011

Assault on Mt Lolo. Aug 25<sup>th</sup> 2011. Exact dist 14 kil. On re-measuring the course, I made the start a couple of 100 ft difference and the top of the climb a little further, probably making a difference of no more than 1 min, This will be the bench-mark for all future climbs of Lolo ,14 kil.

13 athletes came out to do battle, in 30 degree temp, with a slight tail wind up until the Coal creek turn off, then a slight head wind. Martin Bojesen & Ian Fillinger went right from the gun with an attack that separated the field, followed by Greg Johnson & Devon Moonie, Then a group of 4 led by Russell McCue, Greg Murray, Ray Lampard, Walter Zaug, Then Terry Kaay & Allan Bogetti. Then Peter Voss, Klaus Voss, & Chris Jones.

Ian sat on Martins wheel for approx 3 kil then attacked hard and rode away to a substantial lead, Devon left Greg only to be caught again, and blew up in the final kil, due to lack of food, But still had a very respectable climb.

Russell did a lot of work in the foursome keeping the pace high.

Ian on a mission hit the Coal creek turn at 18+ min on the clock at approx 8 kil mark, With a 2 min lead over Martin followed by Gregg Johnson just 50 sec back,

Final Result, Ian Fillinger 14 kil in 32 min & 49 sec.

Martin Bojesen	35 ' & 07 sec
Gregg Johnson	35 min & 58 sec
Russell McCue	37 min & 15 sec
Gregg Murray	37 min & 26 sec
Ray lampard	37 min & 36 sec
Walter Zaug	39 min & 48 sec [ great ride 60 + yrs
Terry Kaay	40 min & 08 sec
Devon Moonie	40 min & 51 sec [ Junior ]
Allan Bogetti	42 min & 12 sec [ 60 yrs + ]
Peter Voss	43 min & 48 sec [60 yrs + ]
Klaus Voss	52 min & 44 sec
Chris Jones	52 min & 52 sec [ 60 yrs + ]

Just a note, Olaf Stana time of 29 min & 15 sec still stands even with the course dist being changed by a few meters, Our final Assault is on Sept 29<sup>th</sup> possible cooler temp will make a difference, My hat goes off to all the riders over 60 yrs ,just to complete Lolo is an accomplishment in itself,

Cheers, John

## Road Race Championships Sept 15th 2011

2011, Road Race Championships, Sept 15<sup>th</sup>.

It looked very much like it might rain, but held off and the roads dried up, Right away Kristine Brynjolfson attacked and followed by Terry Kaay & Ian Fillinger

at about 40 sec, after them came a small group of Ken MacDonald, Alan Bogetti, Peter Voss, then Gary Hunt & Dan Hill, followed by Chris Jones & Sara Spence & Eric Spence.

Kristine was on a mission, not to be caught, And it was a cat and mouse game all the way to the turn with Kristine still ahead and Ian & Terry working hard to hold her in sight, Kristines time at the turn was about 35 sec ahead and working hard, The main group now all together were only 2 min down on Ian & Terry, With Ken working hard to keep the pace high.

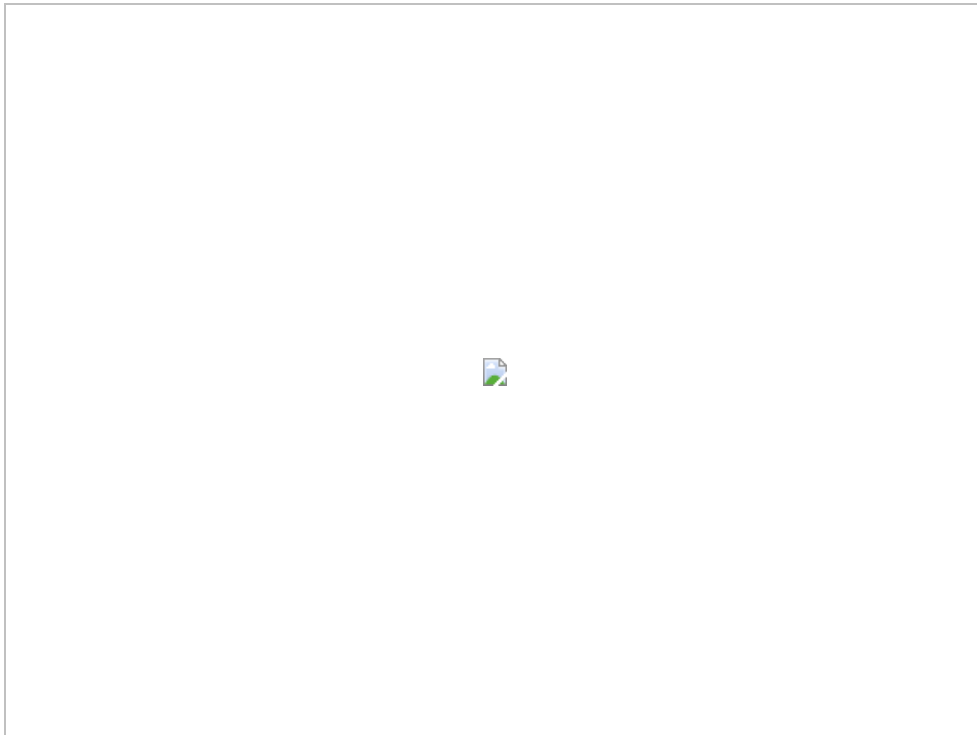

At approx 28 kil mark on the 2<sup>nd</sup> steep climb out of Black Pines, Terry & Ian attacked hard and caught Kristine and pulled about 1 min & 15 sec on her, From there on in Terry & Ian attacked each other all the way home, With Terry taking the win by a tire width, Followed in by Kristine at 2min 21 sec, followed by a very aggressive pack with Dan taking the bunch sprint followed by Ken, Alan, Peter, at 1 min 02 sec, & Gary at 20 sec , Then Chris at 13 min 15 sec then Sara Spence & Eric Spence.

A great race all the way, With some personal bests.

Congratulations to all the riders,

Cheers
